FOUNDER & CEO

Joe Ialacci

Joe Ialacci founded Yacht Hampton in Sag Harbor and grew the company from a single vessel into a fleet of more than 29 company-owned boats and yachts, a privately owned marina, and a membership model designed for people who want the benefits of yachting without the responsibilities of ownership.

FLEET

Yacht Hampton operates an internationally sourced collection of premium boats and yachts selected for their craftsmanship, comfort, performance, and suitability for different experiences on the water. The fleet includes vessels from leading American and European builders, including:

- | | | |
|--------------|---------------|---------------|
| ▪ Pardo | ▪ Santasevera | ▪ MasterCraft |
| ▪ Pershing | ▪ Bellini | |
| ▪ De Antonio | ▪ Okean | |

Fleet options range from intimate day boats and watersports vessels to larger luxury yachts suitable for entertaining, corporate gatherings, and overnight travel.

FLEETSHARE™ MEMBERSHIP

FleetShare™ is Yacht Hampton's membership program, providing standing access to the company's full fleet without the expense, maintenance, and long-term commitment associated with traditional yacht ownership.

Members can select the vessel best suited for each occasion rather than being limited to a single boat. Membership privileges may include preferred charter rates, priority reservations, dedicated concierge service, custom pickup locations, marina access, vessel upgrades, and access across the Hamptons and Palm Beaches.

No traditional membership fee is required.
